### BATTLE STRATEGY FOR HELL'S MOUTH

- Use Kendall's Kitty Rage when there are a lot of enemies.
- Use Becker's Idle Punch to weaken enemies, especially if they take longer to kill (eg Troll, Mr Tusk). It's also a way to increase his TP faster.
- At this point it's preferable a character doesn't die, so when one has low HP (in general Kendall), make sure to have them defend.
- If a character does die, return to the market and sleep at the inn.

### HELL'S MOUTH WALKTHROUGH

	08	09 (BOSS)
03 (Shop)	06	07
02	05 (Mr Tusk #1)	
01 (START)	04	

01 – Get both chests (from this point on it is assumed you always open any chest that comes in your way) – Equip Kendall with the Silver Fork – Go to 02 (up) from the left path.

02 – Go to 03 (up) from the **left** path.

03 – Check the sparkling wall near the chest to get some extra money – Go back to 02.

03 – Go to 02 (up) from the **right** path this time
